Medical Officers in this
Brigade represent that Dewey is making its
appearance among the troops; and it is affec-
tively the disease may become serious and
difficult of management, unless the diet of
the men is changed. It is suggested that
the issue of beef in lieu of bacon for several
days would be productive of much benefit.

In order to enable you to make this change
in the meat ration, you are hereby directed
either to purchase yourself or order out of
the regimental Commissaries to purchase if to
be procured, in the adjacent country for the
use of this Brigade a quantity of fresh beef
not exceeding ten thousand pounds not at
prices not exceeding ~~fifty~~ ^{forty} cents per pound net.

In the event you or the Officer designated
by you ^{to make the purchase} are absent from camp more than
a day at a time whilst engaged in the
execution of this order, all necessary ex-
penses in excess of what it usually costs
to live in camp incurred during that time
will be paid out of public funds. -

S. B. Brewer Esq.

My dear Sir: In January last you were kind enough
to allow me to take from your office my returns for July, August
and September 1862 and for the quarter ending the last mention
month, to correct certain errors of form therein. All of these
papers, after ^{having been} corrected, were returned to you on or about
16th Feb'y last - about one month after they were taken out. At the
last mentioned date, viz. 16 Feb'y '63, my returns for May 1 month
of May and June were taken out of your office for correction; but
the returns for the quarter ending last named month, viz. June
1862 were left with you. Now, by Mr Lash the bearer of this note,
I send returns for months of May and June ^{corrected} 1862, for the months
of November and December 1862 and the quarterly for the quarter
ending last mentioned month. I omitted to state that the returns
for the month of October 1862 were handed in on 16 Feb'y last when
papers for July August and September (taken out in July for correction)
were returned. This completes everything up to Jan'y 1st 1863. Herewith
you will also find monthly returns for Jan'y and Feb'y 1863.
So you will find, Mr Brewer, on examination that all my returns
both monthly and quarterly from 22 May 1862, when I entered up
the dates of my office, up to 1st March 1863 are now in your possession
- seen. But you have never acknowledged the receipt of any of these

Major-General Pease, I have the pleasure to tell you that all the lists of
purchases in my department for the 18th have the certificates con-
firmed to them, properly filled up. I do not see however that it is made
up as the price of all articles purchased by me are fixed
by the Auditor General and the receipts are all right. Still I
have ~~decided~~ it best to authorize my Capt. Dyer, until a day or two
since my assistant, to call at your office for the blanks in the certi-
ficates and sign my name to them.

To you, as a competent authority, I have the honor
of referring the matter of the discharge of
Stoughton. The wife of Dr. J. J. Elmore,
my chief surgeon, has lost a valuable
a fine estate in Maryland - which
must be lost to them unless he can
arrange to save it. Dr. Elmore at
the beginning of the war enlisted as a
private & was promoted so - until without
even his knowledge that his wife
lost the estate. He has been in constant service
and has been more fully & faithfully
done his duty. He is poor - & unless
he can get his property back, the
family will be ruined. I must remain as -
If he can be granted a few weeks
of military duty - and a pass permit
to visit - he feels certain he
can save this property & home

I have the honor to acknowledge the receipt of your letter of the 11th inst. in relation to the distribution of the articles mentioned therein. The Congress had been distributed to me through the Register by the article mentioned. Since the distribution of the articles was of them has been altered and it is well except in the appropriation of them to the general command. The number of 13 is not correct. Hoping to be satisfactory.

I am very respectfully,

Major M. Edridge was promoted to an
Chief of Artillery in our 1863, and still
commands the Art. of that (Hawkins) Division.
He is an officer of energy, skill and courage.
He is a man of good moral character and
society—and is also one of the oldest majors
of Artillery in this Army. He is deserving of
promotion, and if a Lieut. Col. is to be ap-
pointed for this Army I do not know any
major who has higher claims or who would
fill the place more creditably than Major
Edridge.

General:

I have the honor respectfully to represent that I have known Maj. J. W. Eldridge and been associated with him for more than a year. He is one of the most earnest, zealous and attentive officers within my knowledge. His promptness and efficiency have attracted my attention on several occasions. I believed his promptness in placing his Battalion in position at New Hope Church and the admirable position selected by him contributed largely to the success of that engagement. His Battalion is one of the best in this army and always conducts itself in the most creditable manner. I believe Maj. Eldridge is justly entitled to promotion to Lt Colonel on account of his merit as an officer, and his long and faithful services, and cordially recommend it.

I am General,

Inspector General's Office
Dist. West. La.
Bayou Breuf, Nov. 2nd 1863

General,

The extent of the territorial District comprised
in your Command, and the necessary disposition
of your forces, at points frequently at great dis-
tances apart, render it impossible for me, without
the aid of an assistant, to discharge the du-
ties of Inspector General, in such manner as
I desire and the interests of the service re-
quire. I would, therefore, respectfully suggest
that, an Assistant Inspector General for
this District, may be appointed. With the
aid of such an officer, I am satisfied the
efficiency of the troops of your Command will
be materially promoted and the regularity of
inspections, so desirable to be had with
troops in the field can be obtained.

I am, General,

Very Respectfully

RECORD DIVISION
I have learned, that Mr Wm. Elason of
Statesville North Carolina, has been recommended for
a place in the Quartermaster's Department in my
State, and I have been requested to recommend him
to your favorable consideration.

Mr Elason is one of my constituents who entered
the military service at an early period of the war,
was elected Lt Colonel of one of the regiments
of North Carolina troops and after a service of
some eighteen months, his health gave way.
He resigned and has a Surgeon's Certificate of disability
for active service.

Mr Elason is a civil Engineer by profes-
sion. & prior to the war & now is engaged as an
Assistant Engineer on one of the North Carolina
roads, and is fully competent for the position
he desires. As he at one time held the Commission
of Lt Colonel in the service, he is desirous
that his place in the Quartermaster's Department
should be that of Major, and I take pleasure in
saying that his qualifications are such as to fully
justify that grade.

Medical Director

I recorded yesterday
in my examination for promotion before the
Army Medical Board at Macon Miss.

The Board ordered me to report to
you immediately, in person or by letter.
It informed from what the Pres. of Board
said, that I would probably be assigned
to duty in some Cavalry Regt. This being
the case, I have concluded to report to
you by letter, and await your orders
at my home near Aberdeen Miss, so
that I may have an opportunity of
carrying my horse, servant &c with
me to the Regt to which you see
proper to assign me. I do this in
order that I may not have to ask
for a leave of absence after I get
with a Command, to go home
to look up horse, &c.

Very Respectfully

You will find returns from the office on
the months of April and May. I believe
you will find them correct. There has
been delay in sending them but not
from any want of inclination to do so
on my part, but from the fact that
there was some discrepancy between the
invoices and articles sent to this post
Capt Mc Cleaghian the shipping officer being
absent in Florida on business connected with
his department it was impossible to get it
arranged before his return.

I respectfully report under your orders my inspection of the Post A. C. S. at this place, Capt Geo. P. Elliott was commissioned the 6<sup>th</sup> of Dec 1862, and was ordered in the commission to report to Brig Genl W. S. Walker for Post duty at Grahamsville S. C., and is a Bonds officer.

Capt Elliott is only, as issuing Commissariat, purchasing only beef cattle or bacon, enough for his Post, the other supplies are drawn from Depots at Charleston or Savannah. The beef cattle are purchases from farmers at schedule prices, and with where Govt cattle are butchers the hides are transferred to the Quartermaster Dept. The usual issue to this post is for 500 men of the 3<sup>rd</sup> S. C. Cav but now to only about 325.

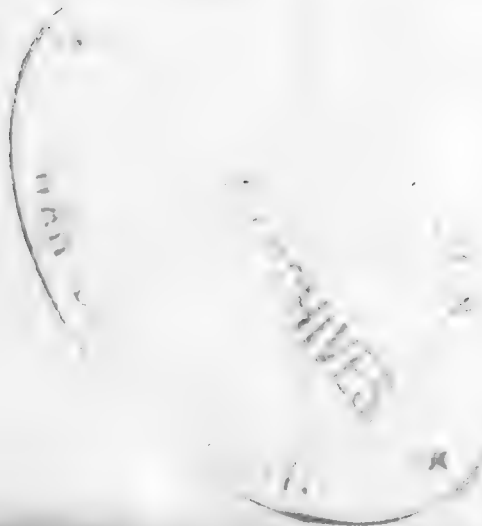

No improvements have ever been made, and no contracts of any kind, office hours usually from 8 am to sunset, two negroes are hired at the schedule price, one as a laborer, the other as a teamster, or issue, are made except when order by Post commandant. The store house is an excellent one and Govt property is well cared for, One good wagon, and four mules, which are well stables, One private horse, There are three soldiers detailed for Capt Elliott, one by Sec of War until further order, the other by Brig Genl W. S. Walker on certificate of med Ex Board.

New Orleans June 11/1862.

To the Hon. Board of Medical  
Examiners of the Confederate Army.

The Undersigned respectfully begs leave  
to call the attention of your honorable body  
to Dr John M. Elliott as <sup>an</sup> most worthy  
& suitable gentleman & physician, every way  
qualified to hold the Commission of Surgeon  
in the Confederate Army. The Undersigned has  
been personally acquainted with the applicant  
from boy hood, and saw much of him during  
the several years he was receiving his medical  
education & while serving in the wards of  
Charity Hospital of this City. I know him to  
be well qualified for a Surgeon's post in the Army  
or to take charge of a hospital, Regimental or gen-  
eral. The undersigned takes pleasure in vouching  
for the good character & high moral qualities  
of Dr Elliott & his high position in society.

Saml. A. Cartwright M.D.

H. C. Murray, 12/1/12

It affords me pleasure to see  
J. H. Elliot as a worthy  
gentleman whom I consider well qualified  
to fill the post of Surgeon in the  
Army of the C. S. Dr. C. has for several  
years attached to the Charity Hospital of  
this city as resident & student, and there he  
had many opportunities for the  
study of the science of medicine & the  
practice of medicine & surgery. The  
approval of Dr. Elliot was to be  
judged to be well deserving the position  
he occupies.

Very truly  
yours

Prof. George H. S. S.

I venture to take up a  
few moments of your precious time for  
the purpose of asking your favorable  
consideration of an application made  
by my brother-in-law Wm. P. Cammichael  
of Augusta Geo. for a position in  
the Quartermaster's Dept.

Knowing how busy you are, General,  
with petitions of this nature, I would  
hesitate to add to the number of  
the unfortunate, was I not thoroughly  
convinced, that from his great  
Energy, fine business habits, and  
high integrity, Mr. Cammichael will  
make a valuable officer in the <sup>L. M.</sup> Dept.  
No connection of mine with any  
man, would tempt me to say  
a word in his favor were I not

entirely convinced of his fitness  
for the place he seeks. He is not  
only fitted General, but eminently  
qualified, and on his merits  
as a regular, indefatigable,  
honest, and gifted business man  
I want this letter to stand; and  
feel perfectly satisfied that  
should he succeed in obtaining  
an appointment the result will  
prove satisfactory to you & the  
truth of this statement.

Mr. C. has high recommendations  
from Mr. R. M. Barnwell, whom you  
know is not a man to give carelessly  
his testimony in cases of this nature.

I trust General that you will  
be able to do something for Mr. C.  
and ask from you a favorable  
decision in his case.

Just before leaving for Mobile I received  
your kind note, and the permission  
I asked for, to buy a horse from  
the S. M. S. Dept. I am exceedingly obliged  
for both these favors. I feel very delicate  
after so much kindness from yourself  
in writing to ask (as I do in the beginning  
of my letter) a still further exhibition  
of your consideration. but having done  
it, I believe that in no particular have  
I overrated the merits of the case.

We are all humiliated by the  
recent action of the Legislature & Executive  
of Georgia - Old Wm. Cheese Russell  
has I think put his foot into it, by  
voting for Brown's, Stephens, & Co's resolution  
I think so - for heaven knows what

Israelites and A's... and he may  
be supplanted. Some Resolutions were

Hon: J. & Seddon.  
Secretary War -

Sir

I beg leave to present to you for promotion to the rank of Captain in the Adjutant Genl's Department my aid-de-camp Lieut: R W B Elliott. The enclosed telegram from Major General Gilman shows that he needs his services now in that capacity, and he richly deserves this notice from the Department.

Lt Elliott is an accomplished & highly educated young gentleman (son of the Bishop of Georgia) entered the service as a private at the opening of the war; and remained in the ranks until I applied for his appointment as my aid-de-camp in the autumn of 1861 - He has served with me ever since (except that he joined Genl Enell's staff during the invasion of Pennsylvania, whilst I was detained in Richmond), has behaved always with ~~a~~ conspicuous gallantry.

and received a serious wound at the  
second Battle of Manassas as -  
My Adjutant General (who  
was my brother) having been killed in  
battle soon after I was wounded,  
had I been given a command in the  
field again, I should then have  
applied to have Lt Elliott appointed  
to that grade - Though I shall not  
be sorry to part with him as my aid-  
de-camp, I respectfully but earnestly  
recommended that he be appointed and  
Asst Adjt General, and ordered to  
report to General Gilmer

Claim of W. W. Elliott

- Comptroller's office Aug 19. '88  
This claim may be allowed  
under the 2<sup>d</sup> section of the Act  
of 8 March 1869 providing for  
the loss of a house by capture  
or destruction by the Enemy.  
That Act does not in this instance

require an affidavit.

Report of the Second Auditor on the claim  
of Lieut. R. W. B. Elliott A. S. C. to Brig. Gen. Lawton  
for pay for a horse severely (believed fatally)  
wounded in battle. —

It appears from the papers filed in this  
case that Lieut. Elliott was on 28<sup>th</sup> day of Aug.  
1862 the owner of a bay horse, fourteen and  
a half hands high. That on 18<sup>th</sup> day of the  
same month this horse was appraised by a  
board of survey appointed for that purpose  
by Brig. Gen. Lawton, and valued at the sum  
of Two Hundred and fifty dollars (\$250.00) — that  
on the first day of the second battle of Manassas viz.  
(28<sup>th</sup> Aug. 1862) while being ridden into action  
by Lieut. Elliott said horse was shot by a Minie  
ball in the right hip which completely disabled  
him — his limb became exceedingly swollen —  
the ball remaining in the wound — in this con-  
dition sd. horse was left upon a part of the  
field of battle that was soon occupied by the  
Enemy and his actual fate has not been as-  
certained — According to the letter of the law only  
horses killed in action are to be paid for. — It is  
however respectfully submitted whether this is  
not a case coming clearly within the spirit  
of the law and meeting fairly the designs of  
its framers. —

I further testify that on or about the  
11th day of August this horse was appraised  
by a Board of Survey appointed for  
that purpose by Brig. Gen. Lawton

I am glad to hear of  
your influence in the army  
and also of your being  
in a place in the terrible war  
in which we are engaged. He is surely  
one of our best men and altho' I say  
it, who are our best, as brave and  
gallant a spirit as ever lived. He  
is better at the present time  
than he was before, a fine man, a  
high and good intellect, perfect so-

above all, a love for military life.  
He is in the army with a lot of men

Sir

Just prior to leaving Charleston for this place, I had an interview with Genl. Beauregard in which I took occasion to present the services of Major - now, Lieut. Col - Stephen Elliott commanding the 1<sup>st</sup> Sumter since the 1<sup>st</sup> September last. His conduct since his assignment to the command has been such as to attract the attention, and receive the approbation of all his Superior officers, and to secure the full confidence and support of the whole garrison - officers and men - who have served under him. His energy, judgment, and coolness, under all circumstances, have been such as to call forth the admiration of all the brave troops now engaged in the defence of Charleston. Genl. Beauregard concurs fully in all I have said, and with his consent, and full endorsement, I respectfully request as a special mark of approbation, that the Government confer, at once, an additional grade upon Lt. Col. Elliott. The defence of "Sumter" as conducted by him, is one destined to be memorable in the history of our country, and I ask especial notice of the Commander, not only because it is well merited, but because prompt action will encourage others in our further efforts to stay the invader, and force him to abandon his attempts to lay in ruins the city of Charleston.

I am, Sir, very respectfully Yours Obedt. Servt.

Sir

In obedience to instructions  
from Ad. Gen. I have the honor  
to submit the following statement in  
regard to the connection of my com-  
pany with the Eleventh Regt. S.C.

In May 1861 the "Beaufort  
Artillery" then on duty was ordered  
the Adj't. and Inspector General of the  
State to unite with other companies  
in the election of field officers of a Regt.  
now known as the Eleventh S.C.

On Feb 18th 1862 pursuant to Major  
order from Dir. Ad. Gen. (No 396) my company  
was assigned to duty with a siege train  
but still continued to form a part of  
the regiment.

On March 17th 1862 the company  
re-enlisted for two years on the basis of  
a light artillery corps and declined  
uniting in the re-election of regimental  
officers by virtue of an order from the Dir.  
of War permitting re-enlisting corps to  
select their organization. We were then sent  
here received as a light artillery corps and  
the latter now in our possession remains  
as is.

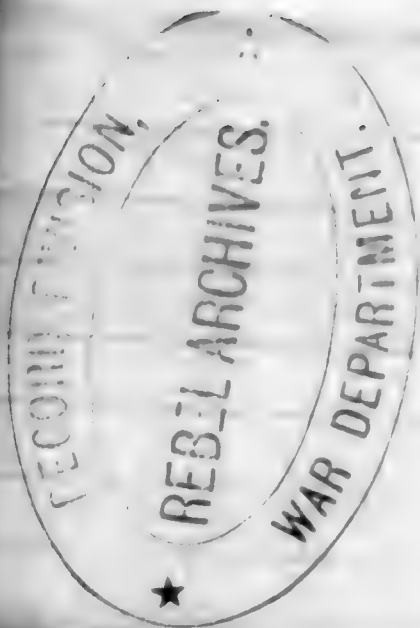

Upon application to the Adj't. General  
of the State to be detached, I re-

ceived the enclosed promise. It is  
my impression that an order relating  
to was received soon after but I am  
not positively sure of it as I cannot  
be found among my papers. See  
official communication with the  
Eleventh Regiment issued on the  
day of its re-organization May 1st 1862  
I enclose Special order #11  
396 and the letter from Gen Le  
Sauvage

I have the honor to commend Lieut. E. L. Elliott of the Ordnance Corps and Ordnance Officer at Dist for promotion to a Captaincy.

Lieut. Elliott has been Ordnance Officer with rank of Lieut. for over six years. He was a Captain in the 11<sup>th</sup> Regt. Infantry at his position on the organization of the Regt. He commanded a battery with the rank of Capt. at Beadocks Pt. at the time the island was taken. He gained reputation by the skill & courage shown in saving his gunners after the island had been taken.

He is active & energetic in the performance of his duties and deserves the promotion by the 15<sup>th</sup> of a rank commensurate with his past services & present duties.

General

In a recent endorsement  
you use the following language in reference to Lieut W.  
W. Elliott Ordnance Officer of this District 'of course  
an Staff Officer has a right to give orders in his own name'.

Lieut Elliott is thus recognized as my Staff Officer, and  
arguing from strict analogy, the Chief of Ordnance of the  
Department, should have the same relation to the General  
Commanding, that is, he is his Staff Officer.

The Officer occupying that position at Dept. H<sup>o</sup> A. Ins.  
gives orders habitually to my Staff Officer, Lieut Elliott,  
in his own name. This is equivalent to giving an order  
to myself, if such orders are recognized as obligatory  
on Lieut Elliott. It places the disposition of the  
arms and guns of my District at the disposal of a  
subordinate Officer outside of my command.

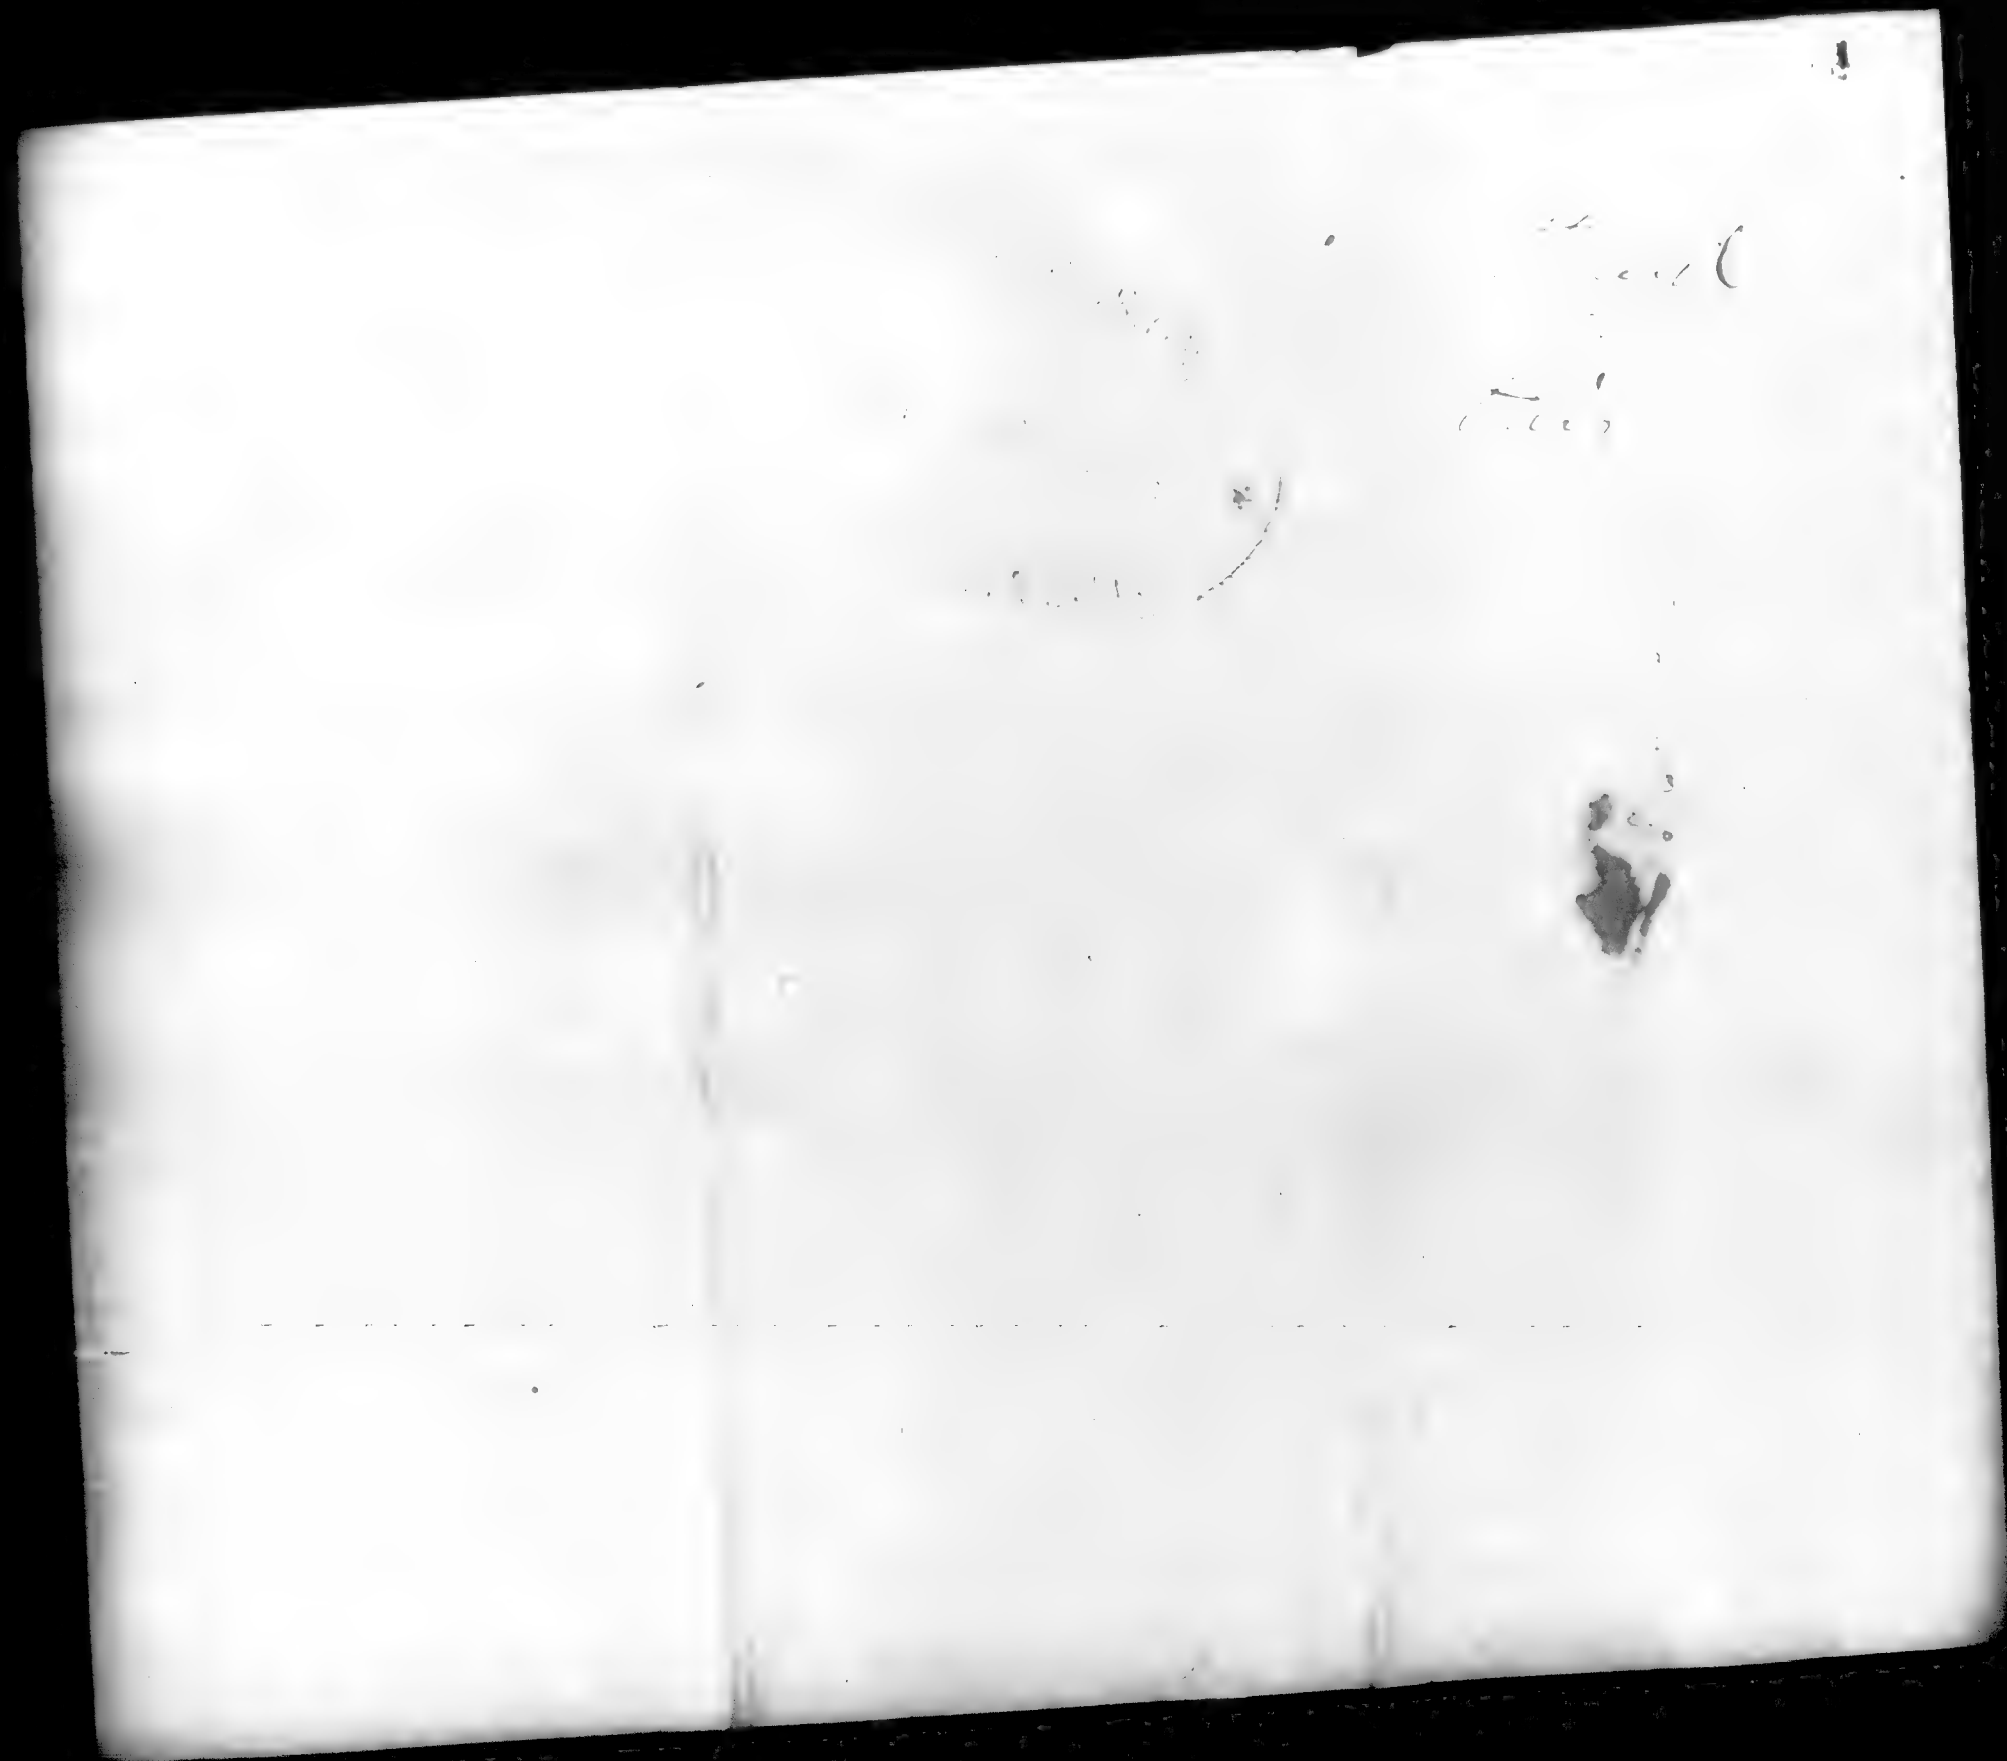

I desire to know whether Lieut Col Waddy  
Chief of Ordnance of this Dept., in giving orders should  
not sign them as "by order" either of Genl Beauregard  
or the Ordnance Department. If the Regulations so  
require, I request that he may be instructed accordingly.

I enclose one among many orders which will strongly  
illustrate the objection taken. It subordinate officer  
of Lt Col Waddy, substantially gives orders to me by  
his direction.
